Competitors from the open and women classes may combine to form Mixed Crews. Note that this limitation does not apply to the unimpaired paddlers participating as part of a Paradrakon 'PD2' crew - see notes of Paradrakon entries below.

PARADRAGON RACE DIVISION

ParaDragon racing is aimed at broadening the reach of our sport by encouraging those with physical, psychological, neurological, sensory or intellectual impairments to participate.

Two ParaDragon categories are offered: one for teams where every paddler has a recognised impairment ('PD1' in the attached framework rules) and a second where at least half the paddlers have a recognised impairment ('PD2'). Appendix 1 provides the complete set of IDBF rules for such races. Note that there is no age or gender requirement for either category (but the set of rules does set out how age and gender will be taken into account). Also, please note that the unimpaired paddlers participating in ParaDragon crew will not be restricted in any way from entering any other race category.

Any questions regarding the set of rules or the nature of competition should be sent by email to chair-para@dragonboat.sport
